Social Innovators Program registrations open

South Gippsland Shire Council is pleased to announce that registrations are now open for its Social Innovators Program.

The free five-week program has been created to provide young people (aged 15 - 24 years) with an opportunity to lead change in their community while working alongside other like-minded people who are passionate about similar issues.

The program is supported by the Crazy Ideas College team and local community partners who are excited to get involved and support young people

to make sure they have the tools and resources they need to bring their awesome ideas to life.

It is a great opportunity for those young people who are bursting with good ideas for their community, but don't quite know how to go about turning that idea into action.

If this sounds like something you or someone you know could be interested in, you can register online now on Council's website: www.southgippsland.vic.gov.au/socialinnovators

Are you interested in becoming an L2P Mentor?

Council is looking for fully licensed drivers who have a couple of hours a week free to teach the next generation how to drive.

The TAC L2P Learner Driver Program is a statewide initiative designed to help disadvantaged young people aged between 16 and 21 gain driving experience so they can get their license.

If you are ready to sign up, please call Denise Trani on 5662 9200. More information can be found here: southgippsland.vic.gov.au/l2p
