## 2023/24 Annual Report

At last week’s Council Meeting, the South Gippsland Shire Council Annual Report 2023/2024 was formally endorsed.

The Report provides detail about Council’s activities, financial performance and governance over the previous financial year.

Key achievements highlighted in the report include the successful completion of road maintenance programs, the execution of a capital works program exceeding \$27 million, the allocation of \$293,281 in community grants and the facilitation of 18 community engagement initiatives.

The 2023/2024 Annual Report not only sheds light on what has been achieved over the past year, but it also gives Council the opportunity to evaluate performance and to identify areas for improvement to better serve our community.

This Report ensures that Council is operating in a transparent manner, providing our community with insight into how funds are being used and what has been achieved with them.
