Dear Mr Knox

***Flexible Local Transport Solutions Program* funding for Transport Solutions for South Gippsland and Bass Coast VET students**

I am pleased to inform you that the Victorian Government will provide AGA Apprenticeships Plus with funding of \$36,000 (GST exclusive) for implementation of a 2nd year pilot bus service to enable Wonthaggi Secondary College VET students to access trade training facilities in Korumburra and Leongatha.

This funding is provided through Transport for Victoria's *Flexible Local Transport Solutions Program* which supports flexible, innovative transport services or trials and small-scale infrastructure projects in regional Victoria, consistent with the objectives of the *Regional Network Development Plan* (RNDP). Working in partnership with local organisations and communities is integral to this initiative.

You will soon be contacted by Edwina Olver, Program Officer, Transport for Victoria, to finalise your funding agreement for this project. If you have any questions, please do not hesitate to contact Edwina Olver via email at edwina.olver@ecodev.vic.gov.au or telephone (03) 8392 9905.

Congratulations and I wish you all the best with this important transport initiative.

Yours sincerely
