## 1.7. DECLARATION OF CONFLICT OF INTEREST FOR COUNCILLORS

Any interest that a Councillor or staff member has deemed to be significant and has disclosed as either a direct or an indirect interest is now considered to be a conflict of interest. Conflict of interest legislation is in sections 77A, 77B, 78, 78A-D and 79 of the Local Government Act 1989 (the Act). This legislation can be obtained by contacting the Council's Corporate & Community Services Directorate (Council Business) or by accessing the Victorian Legislation and Parliamentary Documents website at [www.legislation.vic.gov.au](http://www.legislation.vic.gov.au).

An interest may be by close association, financial, conflicting duties or receipt of gifts. If a Councillor or staff member discloses any interest in an item discussed at any Council Meeting (whether they attend or not) they must:

- Complete a disclosure of interest form prior to the Meeting (forms are available from Council Business Department at South Gippsland Shire Council).
- Advise the Chair of the interest immediately before the particular item is considered (if attending the Meeting).
- Leave the Council Chamber or Meeting room while the item is being discussed and during any vote taken (if attending the Meeting).

The Councillor or staff member will be advised to return to the Council Chamber or Meeting room immediately after the item has been considered and the vote is complete.

Councillors should check the Minutes of the Council Meeting to ensure their disclosure is recorded accurately. Councillors are not required to disclose conflict of interest in relation to matters only considered at Meetings they do not attend. Detailed information is available in *Conflict of Interest – A Guide for Councillors – October 2012*.

**Nil**

**Note: Later in the Council Meeting at Recommendation Item 5I (SUBMISSION 9 (AB09) – Ross Garner), the Mayor paused this Recommendation Item as Councillor McEwen declared an indirect conflict of interest by close association and conflict of duty as he is a member of the Meenyian Art Gallery.**

**Note: Later in the Council Meeting at Recommendation Item 6C (SUBMISSION 3 (CP03) – John McCombe), the Mayor paused this Recommendation Item as Councillor Finlay declared an indirect conflict of interest by conflict of duty as he signed the petition supporting this submission.**

## 1.8. DECLARATION OF CONFLICT OF INTEREST FOR STAFF

Sections 80B and 80C of the Local Government Act 1989 require members of Council staff who have delegated functions and/or provide advice to Council or a Special Committee to disclose conflicts of interest. If Council staff have written, provided information/advice or approved a Council Report and have a conflict of interest, it is the responsibility of that staff member to disclose the interest.

Guidance to identifying and disclosing a conflict of interest is contained in the Victorian State Government, Department of Transport, Planning and Local Infrastructure – *Conflict of Interest – A Guide for Council Staff – October 2011*.

### **2.1. PROPOSED 2019-2022 RATING STRATEGY, PROPOSED 2019/20 ANNUAL BUDGET AND REVISED 2017-2021 COUNCIL PLAN - S223 SUBMISSIONS**

Corporate and Community Services Directorate

#### **EXECUTIVE SUMMARY**

At the Special Meeting of Council 20 March 2019, Council endorsed the Proposed 2019-2022 Rating Strategy (Proposed Rating Strategy), the Proposed 2019/20 Annual Budget (Proposed Budget) and the Revised Council Plan 2017-2021 (Revised Council Plan). Council resolved to invite formal submissions from the public under s.223 of the Local Government Act 1989 (Act) on these three strategic documents.

Council received seven written submissions for the Proposed Rating Strategy, 19 written submissions for the Proposed Budget, and six written submissions for the Revised Council Plan by the closing date of 26 April 2019. Two petitions were received after the closing date in support of two submissions received within the timeframe. The two submitters have asked for Council to consider the petitions as part of their submissions. It is proposed that Council receive, consider and determine these petitions together with the two submissions, rather than lay them on the table to be dealt with at a later time. Local Law No.3 2010 clause 102(b) allows for Council to agree to deal with a petition earlier.

Eighteen people indicated that they wanted to speak to their submissions. Two Hearing Meetings were held on 22 May 2019. The 10.45am Hearing Meeting was for the Proposed Budget and Revised Council Plan and 11 of 13 submitters spoke to their submissions. The 2.15pm Hearing Meeting was for the Proposed Rating Strategy and three of five submitters spoke to their submissions. A number of apologies were received from submitters who had previously requested to speak who were unavailable to speak to their submissions at the Hearing Meetings.

Following the Hearing Meetings, Council discussed the submissions and provided comments on all submissions at a Briefing Session on 22 May 2019.

The submissions have been reviewed and a response developed for each one for Council's final consideration and determination.

To assist the administration of the Motions, it is recommended that the Chair determine that each submission be voted on individually (in parts) as per c.61 in Local Law No.3 2010.

## REPORT

The Proposed Budget has been prepared following community consultation throughout the year and is guided by priorities outlined in its key strategic documents including the Revised Council Plan 2017-2021 and 15 Year Long Term Financial Strategies.

Following the Open Hearing of submissions on the Proposed Budget, Council Plan and Proposed Rating Strategy on 22 May 2019, Councillors held a Closed Briefing session to discuss the information contained in the submissions and provided comments on each submission.

## CONSULTATION

The Proposed Rating Strategy and the Proposed Budget were placed on public exhibition from 26 March 2019 to 26 April 2019. Twenty-six submissions were received and are attached for Council's consideration and determination (**Attachment [2.1.1]** and **Attachment [2.1.2]**).

Twelve submitters spoke to their submissions. The presentations took place on 22 May 2019. The Councillors were provided with an opportunity to ask questions of the submitters and seek further clarification on their submissions.

## RESOURCES

The current Proposed Rating Strategy and the Proposed Budget are sustainable and meet the requirements determined by the Local Government Act 1989. Council is required to ensure that a sustainable Budget can be passed that will not place a financial burden on future generations.

## RISKS

If Council determines that only insignificant changes be made to the Proposed Council Plan, Proposed Budget or Proposed Rating Strategy, then a final Revised Council Plan, Annual Budget and Rating Strategy can proceed with minor amendments to the adoption stage scheduled for the 26 June 2019 Ordinary Meeting of Council. This approach minimises Council's risk of breaching legislation.

If Council determines that significant changes are to be made to the Proposed Council Plan and/or Proposed Budget that make material changes and affect the financial operations and position of Council, then Council would be required to prepare a new Proposed Budget and/or Revised Council Plan and undertake a further s.223 public consultation process.

In this situation a request to the Minister for Local Government for an extension of time would be required, with no guarantee of approval potentially leaving Council in breach of the Local Government Act 1989.
