I note that this is still addressed to [REDACTED]
My wife Wendy passed away on the 2nd NOV 2016
and the title to this property reflected that in
2017. I am surprised that your records do
not reflect that fact.

we are pleased with the name suggestion, as we have a photo of the Magnat wreck in our office (Alex Scott's staff) and have people asking us about it frequently.

Attention Joanne Cox.

Hi Joanne,

I spoke to you recently in relation to the above. I would like to have my say in relation to the proposed name 'Magnat'. First of all I have always disliked the sound of this name and I believe if this is chosen most people will pronounce it as Magnet, this could create problems when looking for the road on maps.

I would like it to be called Wombat Lane celebrating a wild life creature that is very popular in our community. Re calling it a Lane is also important, as the little road is actually a lane way behind the shops. In the old days these were common behind houses and shops due to the use of horses and carts. Yes I am that old.

I would like to be kept in the loop about this so if you can keep me informed via email I would appreciate it.

Thanks Joanne.
