1	Korumburra & District Community Hub	I hope it isn't just going to be another Korumburra-centric facility and will be able to be used by the residents of the Korumburra district as well.
2	Korumburra Community Hub	
3	Korumburra Hub	
4	Korumburra Community Hub	
5	Korumburra Community Hub	A very exciting development
6	Korumburra & District Community Hub	I think it maybe would have been more inclusive and respectful to include Boonwurrung as a part of the name as well
7	Korumburra Community Centre	
8	Korumburra Community Hub	
9	Korumburra Community Hub

16	Korumburra Hub	To include "& district community" would be more inclusive...it is also more of a mouthful. Keep it simple. Its in Korumburra...its the Korumburra Hub.

26	Korumburra & District Community Hub	Would be great to include the Traditional Owners and ask if they have a name that could also be used.
27	Korumburra Community Centre	As would be used by Community So why not Korumburra Community Centre
28	Korumburra Community Centre	
29	Korumburra Community Centre	I believe using the term Centre more accurately reflects the actual place and what would be expected of a facility such as this.
30	Korumburra Community Hub	Korumburra epicentre hub Korumburra Base hub. My favourite korumburra Gateway hub After all korumburra is the gateway to Gippsland I think 4 ways in and out

46	Korumburra Hub	I think there's a good chance this will get an unofficial name. I'll meet you at the Hub. It's going to be a great new feature.

48	Korumburra & District Community Hub	
49	Korumburra Hub	
50	Korumburra Hub	
51	Korumburra Community Hub	
52	Korumburra Community Hub	
53	Korumburra Community Hub	Should be called karmai after the giant worm !!!
54	Korumburra Community Hub	
55	Korumburra Community Hub	
56	Korumburra & District Community Hub	I like that "district" is inclusive to other neighbouring small townspeople who will also use the hub.
57	Korumburra Community Centre	
58	Korumburra Community Centre	
59	Korumburra Hub	
60	Korumburra Community Hub	
61	Korumburra Community Centre	
62	Korumburra Community Centre	
63	Korumburra Community Centre	Korumburra Community Centre! The name hub, sounds too similar to k-hub (aka kmart) in leongatha.
64	Korumburra Hub	
65	Korumburra Community Hub	
66	Korumburra Hub	A shame there was no clear consultation regarding voting options. Where is the First Nations option?
67	Korumburra Community Centre	Hub sounds like Kmart, centre sounds more distinguished.

80	Korumburra Community Centre	
81	Korumburra Community Hub	
82	Korumburra & District Community Hub	
83	Korumburra & District Community Hub	Korumburra is the closest hub of several localities, Jumbunna and Arawata as a few examples. Acknowledging the district in the name is more inclusive of these often forgotten towns.
84	Korumburra Hub	
85	Korumburra & District Community Hub	
86	Korumburra Community Centre	Community Centre sounds so much more friendly and inviting to everyone. A hub sounds too exclusive & cliquy, hub doesn't make it feel as welcoming.

108	Korumburra Community Hub	
109	Korumburra & District Community Hub	
110	Korumburra Community Centre	Korumburra Community covers outlying areas I think. Hub is a 'fashionable' word at the moment and will date into the future.
111	Korumburra Community Hub	
112	Korumburra Hub	Keep it simple.
113	Korumburra Hub	
114	Korumburra Hub	
115	Korumburra Community Hub	What about "Korumburra Hub"? It seems less informal and may help increase inclusivity and remove any formal barriers members of the community may feel exist. Otherwise I would choose "Korumburra Community Hub" and ensure the shortened name is kch
116	Korumburra Community Hub	
117	Korumburra & District Community Hub	Just wondered why you would not go with something like the karmi worm hole hub/community center or run a competition to let people choose a name? all the above are pretty pathetic, I had to chose one in order to send this
118	Korumburra Community Hub

130	Korumburra Hub	
131	Korumburra Community Hub	
132	Korumburra Community Centre	
133	Korumburra Community Hub	The name definitely needs the word Community in it. I would have liked to have chosen the name with And District, but that seems out dated, and Community still implies inclusiveness
134	Korumburra Community Hub	
135	Korumburra Hub	
136	Korumburra & District Community Hub	I prefer the name for this building to be- Korumburra and District Community Hub as it's more inclusive of the surrounding towns, than the other options.
137	Korumburra Community Hub	
138	Korumburra & District Community Hub	
139	Korumburra Community Hub

155	Korumburra Community Centre	
156	Korumburra & District Community Hub	Inclusive
157	Korumburra & District Community Hub	
158	Korumburra Hub	Why not give it the shortest name possible because the locals will eventually call in The Hub anyway.
159	Korumburra Hub	
160	Korumburra Community Centre	Stop following the buzz word of hub...it means nothing other than a buzz word
161	Korumburra Community Centre

168	Korumburra Community Centre	Hub does not sound Australian. What on earth is a hub?
169	Korumburra Hub	
170	Korumburra Community Centre	
171	Korumburra Hub	The facility will be more than just a community space with services operating from the centre. Best to keep it simple.

172	Korumburra Hub	Last one is best as it's easy to say out of all - hope it becomes "K-Hub Community" important as "community" tells people it's for people to come together and that Korumburra cares, has a sense of unity.

181	Korumburra Community Centre	what a shame for korumburra when such a icon, that could be the pride of the town is to be built an an inappropriate site
