

SOUTH GIPPSLAND SHIRE COUNCIL

Council Meeting Minutes

21 September 2022

**Council Meeting No. 475
Council Chambers, Leongatha
Commenced at 2:00pm**

minutes

*South Gippsland
Shire Council*

Come for the beauty, Stay for the lifestyle

OUR COUNCIL VISION

We care deeply about our people, the land and future of South Gippsland.

Our vision is to support the whole Shire in creating economic, environmental and social prosperity for this and future generations.

The Council Agenda relates to the Strategic Objectives of the *Council Plan 2022-2026* indicated in this diagram:

Privacy

Council is required to keep minutes of each Council meeting. The minutes contain details of proceedings which may include personal information about community members disclosed as part of presentations, submissions and questions. The minutes of Council meetings are a public record and can be inspected by members of the public.

Council undertakes audio recordings of Council Meetings as a contribution to good governance and accuracy of minutes. An audio recording of this meeting is being made for the purpose of verifying the accuracy of minutes of the meeting. In some circumstances the recording may be disclosed, such as where Council is compelled to do so by court order, warrant, and subpoena or by any other law such as the *Freedom of Information Act 1982*. It should be noted that other people present at the meeting may be recording the meeting and Council has limited power to regulate this. Council has developed a policy to regulate recordings, "*Sound Recording of Council Meetings*".

A copy of this Policy is located on Council's website www.southgippsland.vic.gov.au.

PRESENT

COUNCILLORS:	Councillor Mohya Davies, Mayor Councillor John Schelling Councillor Clare Williams Councillor Adrian Darakai Councillor Michael Felton Councillor Scott Rae Councillor Sarah Gilligan
MUNICIPAL MONITOR:	Prue Digby was not present for the open Council Meeting.
APOLOGY:	Councillor Nathan Hersey, Deputy Mayor Councillor Jenni Keerie
OFFICERS:	Kerryn Ellis, Chief Executive Officer Allison Jones, Director Performance & Innovation Anthony Seabrook, Director Sustainable Infrastructure Rena Littlejohn, Director Economy & Community Rhys Matulis, Coordinator Governance Natasha Berry, Corporate and Council Business Officer

1. PRELIMINARY MATTERS

1.1. LIVE-STREAMING COUNCIL MEETING DISCLAIMER

This Council Meeting is being streamed live, recorded and published in accordance with Council's Live Streaming in Council Meetings Policy.

Access to the live stream through Council's Internet is an option to view the 'open' component of a Council Meeting. Link to the Live Stream on Council's website: [Live Streaming | Live Streaming | South Gippsland Shire Council](#)

The Chair and/or the CEO have the discretion and authority at any time to direct the termination or interruption of live streaming. Such direction will only be given in exceptional circumstances where deemed relevant. Circumstances may include instances where the content of debate is considered misleading, defamatory or potentially inappropriate to be published.

Today's Meeting is being streamed live as well as recorded and published on Council's website.

Thank you

1.2. WELCOME TO THE COUNCIL MEETING

COVID Safe Plan

Council Meetings are conducted in line with Council's *COVID Safe Plan*.

Public Questions

In accordance with *Governance Rules (C82)*, clause 56.4(d) the placement of public questions has now closed. Questions must be received prior to the commencement of the Council Meeting and placed in the receptacle at Governance Officers table. Questions received after the commencement of the Meeting will be considered at the next Council Meeting.

1.3. OPENING PRAYER

We pray to God to guide us so that the thoughts we have and the decisions made this day, are in the best interests of the people of the South Gippsland Shire.

Amen

1.4. ACKNOWLEDGEMENT OF TRADITIONAL CUSTODIANS

We acknowledge the Bunurong and Gunaikurnai people as the Traditional Custodians of South Gippsland and pay respect to their Elders, past, present, and future, for they hold the memories, traditions, culture, and hopes of Aboriginal and Torres Strait Islander people of Australia.

The Mayor, Councillor Mohya Davies acknowledged the recent passing of Her Majesty Queen Elizabeth II. As a mark of mourning and respect, everyone in attendance remained standing and observed one-minute silence.

1.5. APOLOGIES

Councillor Jenni Keerie was granted leave of absence from this Meeting at Council Meeting 17 August 2022.

Councillor Nathan Hersey, Deputy Mayor

1.6. CONFIRMATION OF MINUTES

RECOMMENDATION

That the Minutes of the South Gippsland Shire Council Meeting No. 474, held on 17 August 2022 in the Council Chambers, Leongatha be confirmed.

RESOLUTION

MOVED: Councillor Rae

SECONDED: Councillor Gilligan

That the Minutes of the South Gippsland Shire Council Meeting No. 474, held on 17 August 2022 in the Council Chambers, Leongatha be confirmed.

CARRIED UNANIMOUSLY

1.7. DECLARATION OF CONFLICTS OF INTEREST FOR COUNCILLORS

The *Local Government Act 2020* (the Act), Division 2 sets out the requirements relating to Conflict of Interest. Disclosure of a conflict of interest in respect of a matter to be considered at a Council Meeting is required under section 130(1)(a) and specifically applies to a relevant person being a Councillor, member of a delegated committee who is not a Councillor and a member of Council staff.

Council's *Governance Rules (C82)* (the Rules), clause 3.0 Disclosure of a Conflict of Interest at a Council Meeting sets out the prescribed manner required to disclose a conflict of interest at South Gippsland Shire Council.

The Rules require a Councillor and/ or staff member who has a conflict of interest in a matter being considered at a Council Meeting to announce before the matter is considered and disclose this in a written notice to the Chief Executive Officer. The details included in the disclosure, explain the nature conflict of interest, whether it is classified as general or material (s.127 and s.128), the name of the relevant person(s) and their relationship to them.

Failure to comply with disclosures of conflict of interest (s.130) may be subject to penalty points and/ or other disciplinary measures depending on the nature of the conflict.

The *Local Government Act 2020* can be accessed from the Victorian Legislation and Parliamentary documents website at www.legislation.vic.gov.au.

Council's *Governance Rules (C82)* can be accessed from [Council's Policies](#) webpage.

Councillor Clare Williams has declared that she has a general conflict of interest in Council Confidential Agenda Item 13.1 PLANT PURCHASE - 26 TONNE GVM HEAVY VEHICLE RIGID SEALED ROADS MAINTENANCE TRUCK (MAV CONTRACT NPN04-13) - PLANT NO. 657 in respect of a private interest and the business that she is a joint owner.

1.8. DECLARATION OF CONFLICTS OF INTEREST FOR STAFF

The *Local Government Act 2020* (the Act), Division 2 sets out the requirements relating to Conflict of Interest. Disclosure of a conflict of interest in respect of a matter to be considered at a Council Meeting is required under section 130(1)(a) and specifically applies to a relevant person being a Councillor, member of a delegated committee who is not a Councillor and a member of Council staff.

Council's *Governance Rules (C82) (the Rules)*, Chapter 5, clause 7, 8 and 9 sets the prescribed manner required for staff to disclose a conflict of interest when:

- Preparing Reports for Meetings
- Exercise of Delegated Power
- Exercise of a Statutory Function

Council staff must immediately upon becoming aware of a conflict of interest provide a written notice to the Chief Executive Officer disclosing the conflict of interest, explain the nature of the conflict and how it will be managed. Upon becoming aware and declaring a conflict of interest, a staff member may not exercise a power or perform a function in the matter. All prepared reports will record that staff member(s) have considered a conflict of interest and include if any, the details of a disclosure.

Failure to comply with disclosures of conflict of interest (s.130) may be subject to penalty points and/ or other disciplinary measures depending on the nature of the conflict.

The *Local Government Act 2020* can be accessed from the Victorian Legislation and Parliamentary documents website at www.legislation.vic.gov.au.

Council's *Governance Rules (C82)* can be accessed from Council's Policies webpage.

Ms Kerryn Ellis, Chief Executive Officer has declared a material conflict of interest in Confidential Agenda Item 13.4. PERSONAL INFORMATION - Chief Executive Officer Performance Review, as the matter relates directly to her role.

2. OBJECTIVE - CONNECTING OUR PEOPLE AND PLACES

2.1. STATE OF COUNCIL ASSETS - 2021/22 END OF YEAR REPORT

Directorate:	Sustainable Infrastructure
Department:	Infrastructure Planning

Council Plan

Objective - Connecting our People and Places

By ensuring the assets which Council is custodian for are maintained and renewed to a standard to support service provision that meets current and future needs of the community.

EXECUTIVE SUMMARY

The purpose of this report is to provide an update on the use of predictive modelling tools to measure the current condition of Council's Infrastructure Assets, and to comply with Clause 7.2.3.7 of Council's *Asset Management Policy* (C04) to review and report to Council on the "state of the assets".

RECOMMENDATION

That Council receives and notes this report in accordance with Clause 7.2.3.7 of Council's *Asset Management Policy* (C04) August 2021.

RESOLUTION

MOVED: Councillor Williams

SECONDED: Councillor Gilligan

That Council receives and notes this report in accordance with Clause 7.2.3.7 of Council's *Asset Management Policy* (C04) August 2021.

CARRIED UNANIMOUSLY

[Next Agenda Item.](#)

BACKGROUND

Council's *Asset Management Policy (C04)* (Policy) – **Attachment [2.1.1]** – outlines the broad framework and principles for sustainable and effective management of Council's assets to meet current and future needs of the community.

South Gippsland Shire Council owns and maintains assets such as roads, footpath, buildings, drains, open space, recreation centres, plant, and equipment to support service provision to the community it serves.

"Asset Management" is the systematic process that guides the planning, acquisition, operation, and maintenance, renewal, and disposal of assets. Its objective is to maximise asset service delivery potential and manage related risks and costs over their entire lives.

The Policy applies to all Council-owned assets and all Council-managed assets that:

- Are used by the community;
- Support the delivery of services provided for the benefit of the South Gippsland community; and
- Are held by Council for future use.

The Asset Management vision for South Gippsland Shire Council is to provide community facilities and infrastructure assets that are sustainable, and that contribute to the economic viability, access and mobility, and improved lifestyle for the community.

Council assets are effectively managed throughout their lifecycle – operations, maintenance, renewal, upgrade, expansion, and disposal to support the delivery of Council services. Predicative modelling is utilised as an Asset Management tool in order to:

- Achieve targeted maintenance and rehabilitation works.
- Maximise efficiency in allocations of resources.
- Model a variety of intervention scenarios.
- Develop Capital Work Programs.
- Increase community satisfaction.

Current State of the Assets

Infrastructure assets are measured against a 0-6 asset condition grading scale as shown below.

Grading	Condition	Description
0	New	Asset commissioned and handed over to Council
1	Very good	Only planned maintenance required
2	Good	Minor maintenance required plus planned maintenance
3	Fair	Significant maintenance required
4	Poor	Significant renewal/rehabilitation required
5	Very Poor	Physically unsound and/or beyond rehabilitation
6	End of Life (EoL)	Asset is no longer fit for purpose

Sealed Roads

Council owns and maintains a total of 2,080 kilometres of road network, with a replacement value of \$370M. Of the road network, 804.7 kilometres is sealed.

The average overall condition score for Council’s sealed roads is 1.0. The breakdown of the current service state of Council’s Sealed Roads is shown in the figure below.

Figure 1 – Sealed Roads Overall Service State

Footpaths

Council owns and maintains a total of 141.16 kilometres of pathways. The average overall condition score for pathways is 2.0.

The breakdown of the current service state of pathways is shown in the figure below.

Figure 2 – Pathways Overall Service State

Buildings

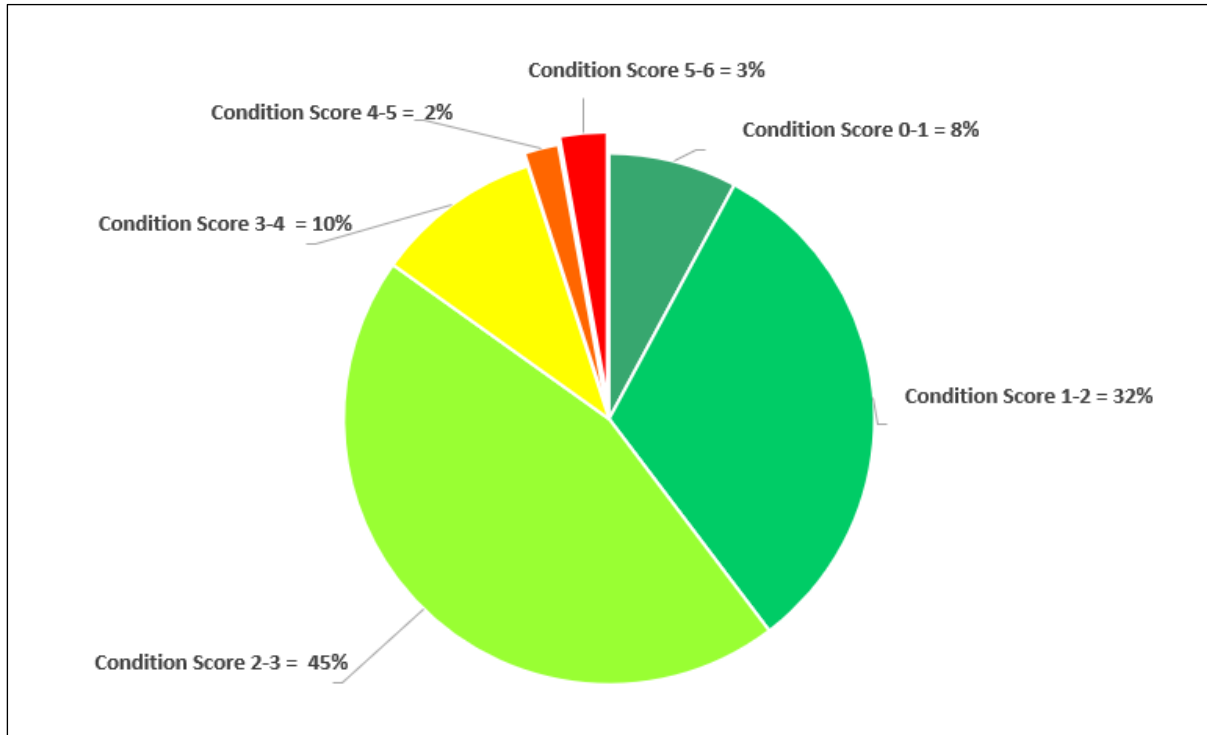

Council owns and maintains a total of 424 buildings and structures. This is made up of 349 buildings (has a roof and enclosed walls) and 75 structures (not enclosed on sides – e.g. rotunda, shelter, sound shell, observation tower).

A revaluation of the building portfolio was undertaken in the 2021/22 financial year. The current revaluation is \$109 Million (formally \$129 Million).

The variation in the revaluation is related to a renewed condition assessment, new unit rates, and methodology, as well as depreciation adjustments.

The breakdown of the current service state of buildings is shown in the figure below.

Figure 3 – Building Portfolio Condition

Other Asset Classes

The next steps in the utilising of predictive modelling for effective asset management, includes applying it to the following asset classes:

- Bridges, Major Culverts, and Other Structures
- Stormwater Assets
- Open Space Assets

3. OBJECTIVE - ECONOMY AND INDUSTRY

3.1. GRANT APPLICATION - LIVING LOCAL & INVESTMENT FAST TRACK FUNDS

Directorate:	Economy and Community
Department:	Economy Community and Investment

Council Plan

Objective - Economy and Industry

This report relates to the following Council Plan Major Initiatives:

- *Develop and implement the Great Southern Rail Trail Management Plan, including the Visitation and Marketing Plan;*
- *Implement the annual actions of the Arts, Culture and Creative Industries Strategy; and*
- *Implement the annual action plan of the 2021–2031 Visitor Economy Strategy to encourage tourism and visitation across the Shire.*

EXECUTIVE SUMMARYERROR! BOOKMARK NOT DEFINED.

The purpose of this report is for Council to endorse an application to the Victorian Government's Living Local Regional Fund and consider supporting a submission by Bass Coast Shire Council for an application to the Regional Jobs and Infrastructure Fund (RJIF) - Investment Fast-Track Fund.

Both funds are competitive Victorian Government programs that are open to a broad range of organisations including Local Government.

Submissions to the Living Local Regional Fund (LRIF) closed 14 August 2022 with an application submitted for the Great Southern Rail Trail (GSRT) Public Art project.

Submissions to the RJIF - Investment Fast-Track Fund closed 17 August 2022 with an application submitted by Bass Coast Shire Council (BCSC) for the Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project. Council is a key partner to this Project.

This report recommends that Council support submissions made to the two funds.

RECOMMENDATION

That Council:

1. Endorses the application for \$140,000 under the Victorian Government's Living Local Regional Fund for the Great Southern Rail Trail (GSRT) Public Art Project;
 - a. Allocating a Council contribution of \$140,000 from the current Great Southern Rail Trail (GSRT) Extension budget towards the Great Southern Rail Trail (GSRT) Public Art Project, if the grant is approved;
 - b. Noting that the application for the Great Southern Rail Trail (GSRT) Public Art Project was submitted to the Victorian Government's Living Local Regional Fund prior to the closing date of 14 August 2022;
2. Endorses to support the application submitted by the Bass Coast Shire Council for \$375,000 under the Victorian Government's Regional Jobs and Infrastructure Fund (RJIF) - Investment Fast-Track Fund for the Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project;
 - a. Allocating a Council contribution of up to \$25,000 from the current Great Southern Rail Trail (GSRT) Extension budget towards the Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project; if the grant is approved;
 - b. Enters into a Memorandum of Understanding with Bass Coast Shire Council for the duration of the Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project that will outline roles and responsibilities; and
 - c. Noting that the application was submitted by Bass Coast Shire Council was submitted to the Victorian Government's Regional Jobs and Infrastructure Fund (RJIF) - Investment Fast-Track Fund prior to the closing date of 17 August 2022.

RESOLUTION

MOVED: Councillor Schelling

SECONDED: Councillor Felton

That Council:

- 1. Endorses the application for \$140,000 under the Victorian Government's Living Local Regional Fund for the Great Southern Rail Trail (GSRT) Public Art Project;**

CARRIED UNANIMOUSLY

[Next Agenda Item.](#)

REPORT

Living Local Regional Fund (LRIF)

The Living Local Regional Fund objectives include:

- supporting the development, improvement and promotion of regional communities, shopping strips and activity centres as places of local economic activity and community gathering that work towards environmental sustainability
- delivering permanent co-funded projects or sustainable community events and related activity that reflect the needs of local people and enhance living, working, socialising and recreation in local areas
- enhancing community inclusiveness, belonging, and participation, particularly among new residents and new workers and to support young people and mental health
- focusing on smaller scale approaches to revitalising regional communities that can be delivered in partnership with local government, businesses, and community sector organisations and groups
- enhancing liveability, safety, accessibility and vibrancy of communities, shopping strips and activity centres
- enhancing opportunities for small business in community shopping strips to thrive; and
- progressing reconciliation with Traditional Owners through the encouragement of proposals to incorporate local and Aboriginal and Torres Strait Islander stories.

The LLRF is a competitive grants program open to eligible rural and regional local governments and incorporated (not-for-profit) organisations/associations.

Applicants may seek a minimum of \$20,000 and maximum of \$200,000 (exclusive of GST).

Councils will be required to make a minimum matching (1:1) contribution (cash and in-kind) of the grant being sought.

Total contributions may consist of up to 25 per cent of in-kind contributions.

Great Southern Rail Trail (GSRT) Public Art Project

The scope of the GSRT Public Art project is to develop a series of public art installations in the form of murals at key locations along the GSRT between

Koonwarra and Loch. The project also includes installing infrastructure to enhance the murals (i.e. seating)

The project scope and locations have been identified by Council Officers and are considered the most appropriate sites. The proposed locations are:

- South Gippsland Highway underpass at Koonwarra
- The rear of buildings on 39-43 Bair Street that extends over the Leongatha Railway Precinct that will be adjacent the rail trail,
- South Gippsland Highway concrete bridge just outside of Korumburra,
- Main Road concrete bridge near Fullers Way, Bena
- South Gippsland Highway concrete bridge pylons near Loch; and
- Loch-Poowong Road concrete bridge near Loch Railway precinct.

Project proposals have been developed by a consultant on behalf of Council for each of the locations, which details the scope, site considerations, procurement of artists and cost estimates.

The proposal also outlines the establishment of a Creative Community Consultative Panel (CCCP) to assist with the EOI process for artist selection and to ensure compliance with Council's procurement policy.

The establishment of the CCCP will ensure that there is community input of the murals without comprising artist integrity.

The total cost of the project is \$280,000 with a grant request of \$140,000.

Strategic Justification

The GSRT Public Art project is strategically supported by the following Council documents and key actions:

- Visitor Economy Strategy - action to develop public art along the GSRT
- GSRT Visitor Experience and Marketing Plan - consistent with actions identified to partner with key community and cultural groups to improve community and visitor experiences on the trail
- Arts, Culture and Creative Industries Strategy – strategic action to establish and fund a recurrent Public Art Program within townships, along selected areas of the GSRT and in the environment.

The implementation of the Visitor Economy Strategy, Arts, Culture and Creative Industries Strategy and GSRT Visitor Experience and Marketing Plan are major initiatives in the Council Plan 2022-26.

Investment Fast-Track Fund (IFF)

The IFF is part of the Regional Jobs and Infrastructure Fund (RJIF), the Victorian Government's flagship regional development fund central to driving growth and recovery in rural and regional Victoria.

RJIF has been allocated \$30 million in 2022-23 to leverage private sector investment to grow and diversify our regional economy and improve economic and social outcomes to make regional Victoria an even better place to live, work and invest.

The IFF supports the planning and preparation of regional and rural development project proposals to strengthen the project's investment evidence base and accelerate investment readiness.

The IFF is a competitive grants program open to eligible rural and regional local governments, private sector businesses, businesses and industry groups, incorporated (not-for-profit) organisations/associations and utility and service providers and water cooperations.

Applicants may seek a maximum of \$500,000 (exclusive of GST) with the funding capped at a ratio of \$4 to \$1 of program funding against the cash contribution from the applicant.

Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project

The Bass Coast Shire Council has identified an opportunity to seek funding for planning to be undertaken for the development of the Bass Coast Rail Trail (BCRT) from Woolamai to Nyora; linking it to the GSRT.

Both the GSRT and BCRT are included in a broader effort currently being undertaken by six regional Councils across Gippsland to develop the Gippsland Odyssey.

The Gippsland Odyssey is a multi-faceted cycling (and walking) experience based on a network of cycling routes spread across Gippsland that best highlight the region's myriad of environmental, cultural and heritage attractions, while creating important connections between rural communities.

The project will include relevant planning and investigations for a 25km trail that traverses both Bass Coast (21km) and South Gippsland (4km) municipalities.

The total cost of the project is \$500,000 with a grant request of \$375,000.

Strategic Justification

The development of a rail trail between Woolamai and Nyora is an identified activity as part of the Gippsland Odyssey, which is an outcome of the Gippsland Tracks and Trails Feasibility Study.

The Study was completed in 2019 for Destination Gippsland, the six Gippsland Councils and the Gippsland Mountain Bike Club and included the concept of a long-distance cycling trail network.

The Study was adopted by Council on 22 April 2020.

Specifically, the Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project is supported by the following Council documents and actions:

- Visitor Economy Strategy – action to identify additional supporting rail trail infrastructure requirements (such as additional trail connections);
- GSRT Visitor Experience and Marketing Plan - Conduct feasibility and viability study into 'tributary trails' to provide more access points to the GSRT and to also extend the Trail experience into towns, providing 'micro' experiences for visitors and locals.
- Paths and Trails Strategy – Identified project for investigation noting that the rail reserve from Nyora to Woolamai in the Bass Coast Shire provides further connectivity options for the GSRT.

The implementation of the Visitor Economy Strategy and GSRT Visitor Experience and Marketing Plan are major initiatives in the Council Plan 2022-26.

CONSULTATION / COMMUNITY ENGAGEMENT

The development of the Visitor Economy Strategy, Arts, Culture and Creative Industries Strategy and GSRT Visitor Experience and Marketing Plan have all been developed through extensive community consultation.

Council has received letters of support from VicTrack and the owners of the buildings identified in the application; however, further consultation with any other affected landowners will be a key element of the next phase of these projects, if funded.

RESOURCES / FINANCIAL VIABILITY

The estimated total project cost of the proposed GSRT Public Art project is \$280,000. It is recommended to seek grant funding of \$140,000 from the LLRF. Therefore, a contribution of \$140,000 is required by Council.

The Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project is estimated at \$500,000. It is recommended that Council contribute up to \$25,000 towards the project to cover the elements within South Gippsland based on the distance and funding ratio.

It is recommended that Council's proposed total contribution for both applications of \$165,000 be funded from current funding allocated in the GSRT Leongatha to Nyora extension project.

RISKS

If the proposed grant applications for the GSRT Public Art Project and Gippsland Odyssey Extension (Woolamai to Nyora) Planning Development Project are not supported, Council may miss an opportunity to seek funding for key initiatives consistent with Council's adopted Strategies.

This may delay similar opportunities to address key actions from the Strategies.

STAFF DISCLOSURE

All officers involved in the preparation of this report have considered and determined that they do not have a conflict of interest in the matter.

4. OBJECTIVE - HEALTHY AND ENGAGED COMMUNITIES

4.1. COMMUNITY ASSET COMMITTEES - ANNUAL REPORT 2022

Directorate:	Economy and Community
Department:	Economy Community and Investment

Council Plan

Objective - Healthy and Engaged Communities

Community Asset Committees assist Council in achieving its priorities of creating places and spaces for people to connect and participate in local activities, sports and leisure, community events and enjoy our libraries, parks, gardens and coastal areas.

EXECUTIVE SUMMARY

The purpose of this report is to confirm that Council's Community Asset Committees (CACs) have met their delegated obligations to responsibly manage community facilities as required under section 47(6) of the *Local Government Act 2020*.

Council is responsible for numerous community facilities, including recreation reserves, sports stadiums and town halls. To assist Council in operating these facilities, it partners with Community Asset Committees, previously known as Section 86 Committees.

Officers recommend that Council notes this report.

RECOMMENDATION

That Council receives this report noting that South Gippsland Community Asset Committees for 2021/22 have met their annual obligations, as required by section 47(6) of the *Local Government Act 2020*.

RESOLUTION

MOVED: Councillor Schelling

SECONDED: Councillor Gilligan

That Council receives this report noting that South Gippsland Community Asset Committees for 2021/22 have met their annual obligations, as required by section 47(6) of the *Local Government Act 2020*.

CARRIED UNANIMOUSLY

[Next Agenda Item.](#)

REPORT

Community Asset Committees (CACs) directly manage community assets and facilities on behalf of Council.

These CACs are appointed by South Gippsland Shire Council and have delegated responsibilities from the Chief Executive Officer, in accordance with the *Local Government Act 2020*.

It is a requirement for Council to confirm the annual operation of the Committees and that they have met their obligations under delegation.

Council has appointed 12 Community Asset Committees, each with delegated authority to manage Council assets and facilities to 2024.

Council's appointed Community Asset Committees are:

Community Halls and Centres	Recreation Reserves & Sports Stadiums
Mirboo North Community Hall	Walter J Tuck Recreation Reserve
Foster Stockyard Gallery	Korumburra Recreation Reserve
Allambee South Community Hall	Foster Showgrounds
Sandy Point Community Centre & TP Taylor Reserve	John Terrill Memorial Park & Fish Creek Recreation Reserve
Port Welshpool & District Maritime Museum	Meeniyah & District Sports Stadium
Foster War Memorial Arts Centre	
Dumbalk Hall	

The activities and performance of CACs relate to the powers and functions of Committees to manage their respective facilities, which include:

- The power to enter into contracts and to incur expenditure under \$5,000 with approval being required from Council for contracts over \$5,000;
- The power to negotiate the use, including seasonal use agreements, of facilities with user groups and the power to approve programs operating from the community asset;
- The power to set user fees;
- The authority to undertake minor repairs up to the value of \$2,000; however, consent from Council's Building Coordinator must be gained for any maintenance item of \$2,000 that has not been anticipated in the Facility Maintenance Report; and

- The power to apply income received from facility users to the ongoing operation and management of the community asset.

It is considered that the 12 South Gippsland Shire Council Community Asset Committees have acted in accordance with their delegations, ensuring community assets and facilities are managed for the benefit of the South Gippsland community.

The CACs have met reporting requirements through the provision of financial statements, minutes of meetings, volunteer registrations and other administrative reports as required.

The past three years have been difficult for Community Asset Committees with reductions in facility use during the Covid pandemic resulting in a significant reduction in income to manage the facilities. As a result, Council has assisted them with the provision of fee waivers for insurance, and support provided through Community Support Package (CSP) Grants.

It is a testament to our communities' dedication to their facilities that each CAC has been successful in maintaining a functioning committee during this time.

All CACs are meeting existing reporting requirements; however, two Committees have indicated they may require additional support in the coming year to determine options for continued management into the future.

These options will be brought to Council pending further consultation with the CACs over the next 12 months.

CONSULTATION / COMMUNITY ENGAGEMENT

Community Asset Committees are a key stakeholder of Council and officers are in regular contact with them to ensure their ongoing support.

Council conducts routine and internal maintenance support and provides a number of Committees with regular maintenance allocations (Town Halls, Sports Stadiums and Recreation Reserves), and further assistance through governance support, advice and information on operational queries.

Further assistance to CACs through the updating of a 'Community Asset Committee Manual' is underway and consideration of a dedicated Community Asset Committee Information Portal on Council's website is being developed and will be used for hosting forms, reporting and other information.

RESOURCES / FINANCIAL VIABILITY

Council provides maintenance support to Community Asset Committees to maintain their assets, through maintenance allocations or direct in-house support. These provisions are included in ongoing budget allocations.

RISKS

Community Asset Committees provide support to Council in the management of community facilities. Without their support, there would be a risk that some facilities would not operate to their potential and may impact on the community. This could also be an additional cost to Council.

STAFF DISCLOSURE

5. OBJECTIVE - LEADING WITH INTEGRITY

5.1. UPDATING OF COUNCIL MEETING PRAYER

Directorate:	Performance and Innovation
Department:	Governance

Council Plan

Objective - Healthy and Engaged Communities

Council's commitment of supporting inclusion and valuing the different backgrounds and beliefs of the South Gippsland community is strengthened by this report.

EXECUTIVE SUMMARY

The purpose of this report is for Council to consider updating the prayer read at the start of Council's meeting.

RECOMMENDATION

That Council update the prayer read during Council meetings to as follows:

As we gather here from diverse backgrounds and beliefs, may we hold privilege with good care and trust. As we deliberate and discuss, may we be wise in our discernment, fair in our decisions and visionary in our planning. May we be guided by our common goal of a strong and united South Gippsland.

RESOLUTION

MOVED: Councillor Darakai

SECONDED: Councillor Felton

That Council update the prayer read during Council meetings to as follows:

As we gather here from diverse backgrounds and beliefs, may we hold privilege with good care and trust. As we deliberate and discuss, may we be wise in our discernment, fair in our decisions and visionary in our planning. May we be guided by our common goal of a strong and united South Gippsland.

CARRIED

[Next Agenda Item.](#)

REPORT

All levels of government (Federal, State & Local) read a prayer or statement at start of each sitting day or meeting. Council has traditionally read a prayer at the start of each Council meeting and the current prayer has been in use for over a decade.

Councillors recently led a review of the Council prayer which aimed to ensure that the prayer captured the values and goals of the current Council and that the words used in the prayer reflected South Gippsland's diverse communities.

CONSULTATION / COMMUNITY ENGAGEMENT

Nil

RESOURCES / FINANCIAL VIABILITY

Nil

RISKS

The adoption of the renewed wording will strengthen and align to Council's commitment to create an inclusive environment which is key to building healthy communities.

5.2. INSTRUMENT OF AUTHORISATION AND APPOINTMENT - PLANNING AND ENVIRONMENT ACT 1987

Directorate:	Performance and Innovation
Department:	Governance

Council Plan

Objective - Leading with Integrity

Council's governance is strengthened by maintaining currency in the delegations to Officers with the functions they are required to perform on behalf of Council.

EXECUTIVE SUMMARY

The purpose of this report recommends that Council adopts an Instrument of Appointment and Authorisation for the staff member Holly Sawyer under the *Planning and Environment Act 1987*.

RECOMMENDATION

That Council resolves that, in the exercise of the powers conferred by s 147(4) of the *Planning and Environment Act 1987*, s.224 of the *Local Government Act 1989* and s.313 of the *Local Government Act 2020*:

1. The members of Council staff referred to in the Instruments of Appointment and Authorisation be appointed and authorised as set out in the instruments and detailed in the report; and
2. The Instruments of Appointment and Authorisation come into force immediately when signed by Council's Chief Executive Officer and remain in force until Council determines to vary it or it is revoked by Council's Chief Executive Officer in the event the officer resigns from Council or is appointed to a position where this appointment and authorisation is not required or suitable.

RESOLUTION

MOVED: Councillor Gilligan

SECONDED: Councillor Rae

That Council resolves that, in the exercise of the powers conferred by s 147(4) of the Planning and Environment Act 1987, s.224 of the *Local Government Act 1989* and s.313 of the *Local Government Act 2020*:

- 1. The members of Council staff referred to in the Instruments of Appointment and Authorisation be appointed and authorised as set out in the instruments and detailed in the report; and**
- 2. The Instruments of Appointment and Authorisation come into force immediately when signed by Council's Chief Executive Officer and remain in force until Council determines to vary it or it is revoked by Council's Chief Executive Officer in the event the officer resigns from Council or is appointed to a position where this appointment and authorisation is not required or suitable.**

CARRIED UNANIMOUSLY

[Next Agenda Item.](#)

REPORT

The allocation of authorisations and appointments to Council employees contributes to the effective functioning of Council. It is important to ensure that formal Instruments are updated to reflect changes in personnel as well as changes in the legislation.

One new Instrument is presented for adoption for new the Statutory Planning Coordinator, Holly Sawyer, enabling the staff member to fulfil the required duties as Statutory Planning Officer within the Planning & Building Services department.

The Instruments are contained in **Attachment [5.2.1]**.

RESOURCES / FINANCIAL VIABILITY

Nil

RISKS

Failure to adopt, update or revoke an Instrument of Appointment and Authorisation could result in a decision of the employee being invalidated or Council being held liable for the actions of former employees.

STAFF DISCLOSURE

All officers involved in the preparation of this report have considered and determined that they do not have a conflict of interest in the matter.

5.3. POLICY REVIEW: PROPOSED DRAFT GOVERNANCE RULES (C82) FOR COMMUNITY CONSULTATION

Directorate:	Performance and Innovation
Department:	Governance

Council Plan

Objective - Leading with Integrity

Council's governance is strengthened by regularly reviewing its practices and procedures.

EXECUTIVE SUMMARY

The purpose of this report is to present a Proposed Draft of Council's *Governance Rules (C82)*, including the *Election Period Policy (C30)* (refer **Attachment [5.3.1]**) for consideration and endorsement for community consultation from 22 September 2022 to 7 October 2022.

RECOMMENDATION

That Council:

1. Endorses the 'Proposed South Gippsland Shire Council Governance Rules (C82)' (Attachment [5.3.1]) that incorporate the *Election Period Policy (C30)*, pursuant to section 60 of the *Local Government Act 2020*; and
2. Approves commencement of the community consultation from 22 September 2022 to 7 October 2022 for the Proposed *Governance Rules (C82)*, in accordance with the *Community Engagement Policy (C06)*.

RESOLUTION

MOVED: Councillor Gilligan

SECONDED: Councillor Williams

That Council:

1. **Endorses the 'Proposed South Gippsland Shire Council Governance Rules (C82)' (Attachment [5.3.1]) that incorporate the *Election Period Policy (C30)*, pursuant to section 60 of the *Local Government Act 2020*; and**
2. **Approves commencement of the community consultation from 22 September 2022 to 7 October 2022 for the Proposed *Governance Rules (C82)*, in accordance with the *Community Engagement Policy (C06)*.**

CARRIED UNANIMOUSLY

[Next Agenda Item.](#)

REPORT

Background

Under the *Local Government Act 2020 (Act)* all Councils are required to have Governance Rules as per s.60 of the Act which outlines the requirement for each council to develop, adopt and keep in force Governance Rules to be used for Council meetings and delegated and/or joint delegated committees of Council.

The Victorian Government recently passed the *Regulatory Legislation Amendment (Reform) Act 2022* which from 2 September 2022 onwards will enable Council to permanently conduct virtual meetings in accordance with their Governance Rules.

The changes to the Act require Councils to include a process to approve or decline virtual attendance at Council and delegated committee meetings in their Governance Rules.

Excluding the legislative update reference above, Council as part of the Council Plan 2022/23 major initiatives requested that the Governance Rules be reviewed in line with good governance practices.

Council officers have reviewed the Governance Rules to accommodate the legislative update, as well as a detailed review in line with the 2022/23 major initiative outline in the Council Plan.

Changes for Community Consultation

There are five key areas that have changed within the Governance Rules, which include:

Virtual Attendance at Council meetings

- A new rule has been added to Chapter 2, called *Request to attend Council meetings and meetings of Delegated Committees*. This rule will be numbered section 76.

Public Question Time

- Updated rule 56.8 in Division 8 to allow the Chair to give preference in relation to the order of questions read, to questions asked by persons who have not submitted a question in the previous 12 months and allow the Chair to nominate a Councillor to read a submitted question.

E-Petitions

- A new rule 57.16 has been added to Division 9 to allow the submission of E-Petitions, if the E-Petition meets all the requirements under rule 57.

Election of Mayor and Deputy Mayor

- Remove rule 7.10.6 & 7.10.7 as these relate to drawing of lots to determine the winning candidate which is inconsistent with the Act.

Administrative updates

- In Chapter 2, rules 76 and 77 will now be rules 77 and 78 due to the addition of a new rule 76.
- In Chapter 6, update rule 1.4.4 to say sub-clause 1.4.3 instead of sub-clause (c).

CONSULTATION / COMMUNITY ENGAGEMENT

A community consultation process will occur from 22 September 2022 to 7 October 2022 in accordance with the *Community Engagement Policy (C06)*.

Community members interested in making a submission regarding the Proposed Draft *Governance Rules (C82)* are encouraged to make a submission via Council's community engagement platform Your Say South Gippsland or sending a written submission addressed to the Coordinator Governance at council@southgippsland.vic.gov.au.

Following the public community consultation, the Proposed *Governance Rules (C82)* will be presented to Council for endorsement at the 19 October 2022 Council Meeting.

RESOURCES / FINANCIAL VIABILITY

The implementation of the Governance Rules will be managed through existing budgets.

RISKS

Council is required under the Act to adopt a set of Governance Rules and in line with the Victorian Government *Regulatory Legislation Amendment (Reform) Act 2022* which came into effect on 2 September 2022.

STAFF DISCLOSURE

All officers involved in the preparation of this report have considered and determined that they do not have a conflict of interest in the matter.

5.4. SUMMARY OF STRATEGIC BRIEFINGS - 13 JULY 2022 - 12 AUGUST 2022

Directorate:	Performance and Innovation
Department:	Governance

Council Plan

Objective - Leading with Integrity

Council's transparency and governance is strengthened by regularly reporting on summaries of briefings held, that assist Council to make informed decisions in Council Meetings on behalf of the community.

EXECUTIVE SUMMARY

Council, in its requirement to give effect to the overarching governance principles and supporting principles of the *Local Government Act 2020*, section 9(2)(i), s.9(3)(b) and s.58, aims to assist the transparency of Council decisions, actions and information through the provision of public summaries of information. The types of information summarised are usually strategic briefing and public presentations to items that will subsequently come before Council for a future decision. The information is summarised so that it is accessible, understandable, relevant and timely.

The information provided in this report is recorded from sessions held between 13 July and 12 August 2022.

RECOMMENDATION

That Council receives and notes this report.

5.5. DOCUMENTS SEALED, CONTRACTS VARIED, AWARDED OR EXTENDED BY CEO - 13 JULY 2022 TO 12 AUGUST 2022

Directorate:	Performance and Innovation
Department:	Financial Strategy, Risk and Procurement

Council Plan

Objective - Leading with Integrity

Council's transparency of financial decisions made and overall financial sustainability is strengthened by regularly reporting on documents sealed, contracts awarded, varied or extended under the CEO's delegation.

EXECUTIVE SUMMARY

This report documents the following actions undertaken by the Chief Executive Officer (CEO) which occurred during the period from 13 July 2022 to 12 August 2022. Council's *Procurement Policy (C32)* requires the CEO to report to Council any of the following actions undertaken to the next appropriate Meeting:

- Documents sealed;
- Contracts awarded after a public tender process within the CEO's delegation; and
- Contracts varied or extended by the CEO which exceeded the CEO's delegation.

REPORT

Documents Sealed

Under the *Local Government Act 2020* (the Act), s.14 states that each Council is a body corporate with perpetual succession; and must have a common seal. Sealing a document makes it an official document of Council as a corporate body. Documents that require sealing include agreements, leases or any other contractual or legally binding document that binds Council to another party.

Use of the Local Law No. 2 2020, Part 9, clause 107(f)(iv) – Common Seal of Council, states that if the Chief Executive Officer (CEO) uses the Common Seal in a manner prescribed by sub-clause (c), this means on the authority of a Council resolution, then Council must be advised of such use on a regular basis.

'Section 173 Agreements' are prepared in accordance with s.173 of the *Planning and Environment Act 1987*, allowing Council to enter into agreements relating to the use or development of land, conditions to which the land may be used or developed or any matter that relates to planning or planning schemes in Victoria. Section 174 of the *Planning and Environment Act 1987* requires that such an agreement be under seal and must bind the owner to the covenants specified in the agreement.

In accordance with the Local Law, Instrument of Delegation and *Planning and Environment Act 1987*, the following are presented to Council as documents sealed during the period from 13 July 2022 to 12 August 2022.

1. Section 173 Agreement between South Gippsland Shire Council and the owner of 424 Lang Lang-Poowong Road, Nyora for a two lot subdivision and creation of a carriageway easement. Seal applied 10 August 2022.

Contracts Awarded, Varied or Extended

In accordance with Council's Procurement Policy where contracts are awarded under delegation, varied or extended, they are required to be reported to the next practicable Council Meeting.

1. Contracts awarded by Council after a public tender process, signed by the CEO between 13 July 2022 to 12 August 2022.
 - a. CON/324 for the Leongatha Municipal Office Refurbishment was awarded to Beachley Construction Pty Ltd signed by the CEO 20 July 2022.
2. Contracts awarded after a public tender process within the CEO's delegation between 13 July 2022 to 12 August 2022.

- a. Nil
3. Contract variations approved by the CEO between 13 July 2022 to 12 August 2022.
 - a. CON/216 for the Provision of Linemarking Services was awarded to Laser Linemarking Pty Ltd 1 July 2019. A contract variation was recommended due to global economic impacts on the industry and contractor. A Contract Variation of an average of 7 percent increase per scheduled rate totalling \$13,842.50 was signed by the CEO 13 July 2022.
4. Contract extensions approved by the CEO between 13 July 2022 to 12 August 2022.
 - a. Nil

6. OBJECTIVE - SUSTAINABLE GROWTH

6.1. PROPOSED ROAD DISCONTINUANCE - REAR OF 8 CLARENCE STREET LOCH

Directorate:	Sustainable Infrastructure
Department:	Infrastructure Planning

Council Plan

Objective – Connecting our people and places

The road discontinuance and sale proposes to consolidate unused road reserve into private ownership which will enhance the well-being and liveability of the current/future landowners and improve the amenity of the area. Council will also benefit as this will reduce Council's potential liabilities over the road.

EXECUTIVE SUMMARY

The purpose of this report is to commence statutory procedures to consider discontinuing part road reserve abutting the rear of 8 Clarence Street, Loch and sell the land to the owner of 8 Clarence Street, Loch.

Council has been contacted by the owner of 8 Clarence Street, Loch requesting that Council discontinue the part unused road reserve at the rear of their property (shown in **Figure 1**) and sell the land to the owner as the road is unused and not required for the general public traffic.

RECOMMENDATION

That Council:

- Commences the statutory procedures to consider the discontinuance of part unused road shown as R1 on lodged plan no.1877 and part CA30 Parish Jeetho West (shown in Figure 1) with an area of 78 square metres and consider the sale of land to the abutting owner of 8 Clarence Street, Loch, for not less than a valuation received within six months prior to the sale, pursuant to s206, s207A, s223 and Schedule 10 clause 3 of the Local Government Act 1989;
- Gives public notice on Council's website and in local newspapers in the week commencing 27 September 2022 in accordance with s.223 of the

Local Government Act 1989 on the proposal (item 1) inviting written submissions to be received by 5pm Wednesday 26 October 2022;

3. Authorises the Chief Executive Officer to undertake the administrative procedures to enable the Council to carry out its functions under s.223 of the Local Government Act 1989 in respect of the proposal (item 1 above);
4. If submissions are made to the public notice:
 - a. Authorise the Chief Executive Officer to fix the time, date, and place of a meeting for the section 223 hearing for persons who wish to be heard in support of their submission; and
 - b. Receives a further report to consider submissions and determine the outcome at the next available Council meeting.
5. If no submissions are received to the public notice:
 - a. Implement the proposal in recommendation 1; and
 - b. Publish the road discontinuance notice in the Victorian Government Gazette.

RESOLUTION

MOVED: Councillor Felton

SECONDED: Councillor Schelling

That Council:

1. **Commences the statutory procedures to consider the discontinuance of part unused road shown as R1 on lodged plan no.1877 and part CA30 Parish Jeetho West (shown in Figure 1) with an area of 78 square metres and consider the sale of land to the abutting owner of 8 Clarence Street, Loch, for not less than a valuation received within six months prior to the sale, pursuant to s206, s207A, s223 and Schedule 10 clause 3 of the Local Government Act 1989;**
2. **Gives public notice on Council's website and in local newspapers in the week commencing 27 September 2022 in accordance with s.223 of the Local Government Act 1989 on the proposal (item 1) inviting written submissions to be received by 5pm Wednesday 26 October 2022;**

3. **Authorises the Chief Executive Officer to undertake the administrative procedures to enable the Council to carry out its functions under s.223 of the Local Government Act 1989 in respect of the proposal (item 1 above);**
4. **If submissions are made to the public notice:**
 - a. **Authorise the Chief Executive Officer to fix the time, date, and place of a meeting for the section 223 hearing for persons who wish to be heard in support of their submission; and**
 - b. **Receives a further report to consider submissions and determine the outcome at the next available Council meeting.**
5. **If no submissions are received to the public notice:**
 - a. **Implement the proposal in recommendation 1; and**
 - b. **Publish the road discontinuance notice in the Victorian Government Gazette.**

[Next Agenda Item.](#)

REPORT

Council has been contacted by the owner of 8 Clarence Street, Loch requesting that Council discontinue part unused road at the rear of their property and sell the land to them as the road is unused and not required for the general public traffic. A road closure plan is included in **Figure 1** showing the section of road to be discontinued and sold, and a locality / aerial plan showing 8 Clarence Street is included in **Figure 2**.

Figure 1 – Plan Showing Road to be Discontinued and Sold

Figure 2 – Locality / Aerial Plan – 8 Clarence Street, Loch

The road reserve is currently vacant and unused and abuts the rear of 8 Clarence Street, Loch (shown bordered red in figure above).

This section of unused road proposed to be discontinued and sold is not on Council's Public Road Register, not used by public traffic, and appears to be part of the overall property.

If the road discontinuance and sale is successful, the purchaser will be required to consolidate the land from the road reserve with their abutting land.

In 2021, Council approved a similar proposal to discontinue and sell another part of the road reserve to the owners of 10 Clarence Street, Loch.

CONSULTATION / COMMUNITY ENGAGEMENT

Officers have consulted an Independent Certified Practising Valuer to determine the market value of the land. The valuation has been included in **Confidential Attachment 14.1.1**.

To discontinue a road and sell it to the adjoining owner, Council must call for public submissions in accordance with s.207A and s.223 of the Local Government Act 1989.

RESOURCES / FINANCIAL VIABILITY

Applicant – The applicant has paid for the surveying for the road discontinuance plan and title plan.

Council – Officer's time and advertising of the public notice and Victorian Government Gazette Notice.

RISKS

The proposed road discontinuance and sale of the part unused road reserve will reduce Council's liabilities over the road and improve the general amenity of the area.

STAFF DISCLOSURE

All officers involved in the preparation of this report have considered and determined that they do not have a conflict of interest in this matter.

ATTACHMENTS

CONFIDENTIAL ATTACHMENTS

The consideration of confidential information in a closed session of Council is in accordance with s.66(2)(a) and s.66(5)(a) and (b) of the *Local Government Act 2020*.

Confidential Attachment [14.1.1] - Valuation - 8 Clarence Street Loch is designated confidential information pursuant to the *Local Government Act 2020*, s.3(1) private commercial information, being information provided by a business, commercial or financial undertaking that (i) relates to trade secrets; or (ii) if released would unreasonably expose the business, commercial or financial undertaking to disadvantage.

The grounds for designation have been made as the valuation contains commercial in confidence information relating to land disposal.

Council Plan

Objective - Economy and Industry

This report relates to the Council Plan 2022/23 Major Initiative - Implement the annual action plan of the 2021–2031 Economic Development Strategy.

Renewable energy is recognised as a strategic objective within Council's Economic Development Strategy: 1.2 - Understand the opportunities and implications from development of the new energy sector.

EXECUTIVE SUMMARY

The purpose of this report is for Council to consider a draft submission in response to the Federal Government's announcement that Gippsland will be the first site in Australia to be formally examined as a new offshore wind zone. Submissions on the Federal Government announcement are open until 7 October 2022.

This report recommends that Council endorse a submission to this announcement, which provides in principle support for renewable offshore wind energy in Gippsland and also outlines both the opportunities and concerns related to future proposed developments.

RECOMMENDATION

That Council:

1. Endorses the submission to the Federal Government for Offshore Renewable Energy Infrastructure Area Proposal: Bass Strait Off Gippsland, which provides 'in principle' support towards offshore renewable energy projects, excluding the proposed zone's visual impacts, identified adjacent to south western coastline and bays of the municipality, recognising that:
 - a. the energy landscape is changing and that there is a sense of urgency to prepare and react to developments proposed in or around South Gippsland;
 - b. there is a lack of information on the direct and indirect impacts that proposed projects located near the South Gippsland coast may have

- on the South Gippsland community and the position of the community is not yet fully understood;
- c. there are areas of community interest and concern that will need to be addressed further, before Council can support the proposals with confidence;
 - d. the Federal Government and Offshore Wind Energy Proponent's community engagement processes continue to be promoted and inclusive of the community with Council an active participant;
 - e. the Gippsland Proposed Area for investigation and its proximity to shore has raised community concerns, especially their tourism and visual amenity impact and closeness to South Gippsland's iconic natural attractions, environment, seascapes and main tourism and coastal holiday townships – Venus Bay, Walkerville, Waratah Bay, Sandy Point and Tidal River (Wilson's Promontory National Park);
 - f. Council does not currently support the proposed two zones closely adjacent to south western coastline and bays of the municipality, preferencing zones to be further off the coast, until further information is confirmed to reduce the potential impacts on coastal visual amenity;
 - g. the proposed projects would bring welcome employment and investment opportunities;
 - h. there is a significant shortfall of housing to accommodate rapid increases in new workforces or population;
 - i. local government is not appropriately resourced to meet rapid increases in the demand for services, planning and infrastructure, including upgrading assets and facilities and requests resourcing and funding support from other levels of government to help address these challenges and maximise opportunities for the community;
 - j. there needs to be a greater understanding of direct community benefits and potential offsets for our community, including but not limited to, potentially reduced electricity tariffs for community and locally impacted land holders;
 - k. the coastal and marine environment must be protected and that any proposed developments do not have an adverse impact; and
 - l. proposed 'on land' transmission routes utilise existing infrastructure and transmission routes, including placing transmission lines

underground, to minimise the impacts to existing land use such as farming and tourism.

2. Continue to work with Offshore Renewable Wind Energy proponents, developers, businesses, State and Federal Government towards achieving beneficial outcomes for the South Gippsland community.

RESOLUTION

MOVED: Councillor Davies

SECONDED: Councillor Gilligan

That Council:

1. **Endorses the submission to the Federal Government for Offshore Renewable Energy Infrastructure Area Proposal: Bass Strait Off Gippsland, which provides ‘in principle’ support towards offshore renewable energy projects, excluding the proposed zone’s visual impacts, identified adjacent to south western coastline and bays of the municipality, recognising that:**
 - a. **the energy landscape is changing and that there is a sense of urgency to prepare and react to developments proposed in or around South Gippsland;**
 - b. **there is a lack of information on the direct and indirect impacts that proposed projects located near the South Gippsland coast may have on the South Gippsland community and the position of the community is not yet fully understood;**
 - c. **there are areas of community interest and concern that will need to be addressed further, before Council can support the proposals with confidence;**
 - d. **the Federal Government and Offshore Wind Energy Proponent’s community engagement processes continue to be promoted and inclusive of the community with Council an active participant;**
 - e. **the Gippsland Proposed Area for investigation and its proximity to shore has raised community concerns, especially their tourism and visual amenity impact and closeness to South Gippsland’s iconic natural attractions, environment, seascapes and main tourism and coastal holiday townships – Venus Bay, Walkerville, Waratah Bay, Sandy Point and Tidal River (Wilson’s Promontory National Park);**

- f. Council does not currently support the proposed two zones closely adjacent to south western coastline and bays of the municipality, preferencing zones to be further off the coast, until further information is confirmed to reduce the potential impacts on coastal visual amenity;**
 - g. the proposed projects would bring welcome employment and investment opportunities;**
 - h. there is a significant shortfall of housing to accommodate rapid increases in new workforces or population;**
 - i. local government is not appropriately resourced to meet rapid increases in the demand for services, planning and infrastructure, including upgrading assets and facilities and requests resourcing and funding support from other levels of government to help address these challenges and maximise opportunities for the community;**
 - j. there needs to be a greater understanding of direct community benefits and potential offsets for our community, including but not limited to, potentially reduced electricity tariffs for community and locally impacted land holders;**
 - k. the coastal and marine environment must be protected and that any proposed developments do not have an adverse impact; and**
 - l. proposed 'on land' transmission routes utilise existing infrastructure and transmission routes, including placing transmission lines underground, to minimise the impacts to existing land use such as farming and tourism.**
- 2. Continue to work with Offshore Renewable Wind Energy proponents, developers, businesses, State and Federal Government towards achieving beneficial outcomes for the South Gippsland community.**

Councillor Scott Rae called for a Division.

FOR: Councillors Williams, Gilligan, Davies, Darakai, Schelling and Felton.

AGAINST: Councillor Rae

The Motion was CARRIED.

REPORT

The Victorian Government has announced its commitment to developing an offshore wind industry to support the transition toward a net-zero emissions economy by 2050, creating new jobs and delivering economic opportunities for all Victorians.

The Federal Government has announced Gippsland to be the first site in Australia to be formally examined as a new offshore wind zone. They have also set a target of net zero emissions by 2050 and is looking to reduce emissions by 43 per cent, and reach 82 per cent of Australia's electricity generated from renewable sources, by 2030.

The offshore projects proposed off Gippsland's coast could help the Government meet these targets. These projects could also offer the local community opportunities and benefits.

The Gippsland region is well suited for potential projects, particularly offshore wind, because:

- It has strong, consistent winds;
- It is close to electricity markets and existing connections to the grid;
- Industry is very interested in developing projects in the area; and
- The Victorian Government has prioritised the area for development of an offshore wind industry.

The Federal Government has also stated that the construction, maintenance and ongoing operations of offshore renewable energy projects must maximise integration and support of the local Gippsland economy.

Energy Production and Opportunity

There are major shifts in the way energy will be produced into the future with renewable energy targets, incentives and investments driving these changes, both globally and locally.

New sources of energy, such as offshore wind energy, are planned to complement or replace existing forms of energy production.

Gippsland, and in particular, the surrounding coastal areas of South Gippsland, Bass Coast and Wellington Shires, are currently the focus of several major renewal energy proposals and opportunities.

These include the following:

- Star of the South;
- Great Southern - Macquarie Group/Corio;
- Great Eastern - Macquarie Group/Corio;
- Seadragon (Flotation Energy);
- Marinus Link; and
- Delburn Wind (land based).

Following Council's participation in the recent Renewable Energy Forum in Sale, officers have been notified of several more potential developments around South Gippsland and are working with proponents.

This is an opportunity for government, land owners and prospective businesses to consider South Gippsland as an area that may benefit from some of the investment, employment and supply chain opportunities close to our municipality.

Other existing wind energy generation developments in South Gippsland include Bald Hills Wind Farm and Toora Wind Farm.

It is anticipated that these proposed projects will also increase interest in industrial land usage, manufacturing and ports infrastructure to service and capitalise on future developments and South Gippsland's strategic proximity to proposed locations.

All this interest has the potential to generate a lot of economic activity and investment in our local community, potentially leading to the establishment of new industries, training and upskilling of local workforce and the creation of jobs.

Gippsland Proposed Area

Image: Bass Strait

Federal Government Consultation and Federal Approvals Process

The Federal Government has stated that wind farm developers are required to seek feedback on their projects and must demonstrate, to the satisfaction of the Offshore Infrastructure Regulator, how they will share the area with existing users.

Once the consultation period has ended, the Minister will consider all submissions and the potential impacts offshore renewable energy projects may have on other users and interests.

Feedback from Council and the community will help inform the Minister’s decision on whether the proposed area is suitable for offshore renewable energy.

If the Minister declares the area and feasibility licences are granted, developers will be allowed to investigate an area and begin planning their project.

During the feasibility licence period, (up to seven years), developers must develop a management plan and consult with the local community, demonstrating how they will share the area with other users.

The management plan must be approved by the Offshore Infrastructure Regulator before an application for a commercial licence can be granted.

Developers must also ensure they have received all other relevant approvals, and undertake any other consultation processes, before they can apply for a commercial licence.

This includes environmental approvals. If the commercial licence is granted, which is for a period of 40 years, the construction of the wind farm can commence.

Current engagement with Proponents/Developers

Preliminary information from proponents and developers regarding the scale, location and impact of these proposals has been varied. This has mainly reflected the stage of development and engagement of each proposed project.

Therefore, some proposals have provided comprehensive information, whereas others are limited in their detail. This limits understanding of the overall potential benefits or impacts to the community and economy for South Gippsland, at this point in time.

Council's submission seeks to understand the likely economic, environmental and community impacts that these projects may have in order to effectively plan and maximise the local economic benefits, while adequately representing the expectations of the community.

Identified opportunities

These may include:

- New industries and employment, investment and investor confidence, continued economic growth, training and skills development;
- Legacy investment: housing, infrastructure, ports, services;
- Stable and resilient energy supply;
- Investment in sustainability and renewables, new energy and new economy;
- Transition of impacted communities from coal and 'old energy';
- Modelling and creating new good governance methods: leadership and regulatory role for the state, with strong local and regional partnerships and improving stakeholder engagement; and
- Council's role as a key advocate supporting community engagement and economic development and investment attraction facilitation.

Identified challenges or concerns

These may include:

- Ensuring there is effective and integrated, early and coordinated engagement across the region;
- Consistent stakeholder engagement and collaboration;
- Consistent leadership and regulation from government;
- Infrastructure coordination and competing demands on project pipeline;
- Limited industrial land and housing availability;

- Management and protection of environmental and tourism assets – potential conflict;
- Support for impacted community and landowners;
- Impact on community of influx of workers: legacy benefits, housing, services, infrastructure;
- Expectations on Council and government for adequate investment;
- Social licence: risk of poor community outcomes, perception of poor process, misinformation and fear in the community, i.e. land acquisition and amenity impacts for transmission route;
- Resourcing the impact on Council: participating in highly technical studies, consulting and representing community views and local objectives, support and advice to state government and private sector proponents; and
- Understanding and carefully managing Council's competing roles.

Draft Submission

The following points are included in the draft submission:

- Council makes a submission through the Federal Government Consultation process that provides 'in principle' support towards offshore renewable energy projects;
- Council recognises that the energy landscape is changing and that there is a sense of urgency to prepare and react to developments proposed in or around South Gippsland;
- Council recognises that there is a lack of information on the direct and indirect impacts that proposed projects located near the South Gippsland coast may have on the South Gippsland community and the position of the community is not yet fully understood; and
- Council acknowledges that there are areas of community interest and concern that will need to be addressed further, before Council can support the proposals with confidence.

These include:

- Ensuring that the Federal Government and Proponent's community engagement processes are adequately promoted and inclusive.

Council is keen to be an active participant and wants to support a collaborative process.

- Confirming the Gippsland Proposed Area for investigation and proximity to shore – concerns have been raised about the proposed offshore zones, especially their tourism and amenity impact and closeness to South Gippsland’s iconic natural attractions, environment, seascapes and main tourism and coastal holiday townships – Venus Bay, Walkerville, Waratah Bay, Sandy Point and Tidal River (Wilson’s Promontory National Park).

There are concerns within the community that the coastal views of the turbines will have a negative impact on the community, amenity and our natural attractiveness.

Council may consider opposing the current proposed zone closely adjacent to south western coastline and bays of the municipality and seek assurance that the proposed zones are further off the coast to reduce the impacts on our coastal visual amenity.

- Recognising housing availability and land development constraints – the proposed projects would bring welcome employment and investment opportunities; however, there is a significant shortfall of housing to accommodate rapid increases in new workforces or population.

Managing the demand and preparedness of this potential growth would require a balanced approach so as to preserve town character, protect rural land and the environment. This, along with addressing the impacts to local rental availability and addressing current workforce, social and affordable housing gaps.

- Concerns that local government is not appropriately resourced to meet potential increases in the demand for services, planning and infrastructure, including upgrading assets and facilities.

Council would seek resourcing and funding support from other levels of government to help address these challenges and maximise opportunities for the community.

- Obtaining a greater understanding of direct community benefits and potential offsets for our community, including but not limited to potentially reduced electricity tariffs for community and locally impacted land holders.

- Understanding the impacts on the environment – ensuring that the coastal and marine environment is protected and that the proposed developments do not have an adverse impact.
- Confirming transmission routes – preference is for utilising existing infrastructure and transmission routes, placing transmission lines underground and that impacts to existing land use such as farming and tourism is minimised.

CONSULTATION / COMMUNITY ENGAGEMENT

This report recognises that the submission process is part of the initial consultation phase proposed by the Federal Government.

Council, along with local media, has promoted the Federal Government announcement and submission process to the South Gippsland community through multiple communication channels including print, website, newsletters and social media.

The Federal Department of Industry, Science and Resources has established a dedicated website and engagement program to inform the community of the announcement. <https://consult.industry.gov.au/oei-gippsland>

The Federal Department of Climate Change, Energy, the Environment and Water hosted a Gippsland Offshore Renewable Open House Information Session in Leongatha on Thursday 1 September 2022. The session was an opportunity for people to ask questions, discuss issues of importance and learn more about making a submission on the Gippsland area under consideration.

Submissions on the Federal Government announcement are open until 7 October 2022.

RESOURCES / FINANCIAL VIABILITY

There are no material implications for Council to consider at present other than the allocation of internal resources to monitor and manage Council's position. This is consistent with actions identified in the Economic Development Strategy.

Future financial implications are yet to be fully understood.

RISKS

There are potential strategic, political and public relations risks identified both from taking action, or remaining silent.

The risk of not making a submission may hamper future positioning with regards to attracting the best economic and social outcomes for our community, as these programs are public and many in the community are aware of them.

Making a submission will demonstrate to the community, State and Federal Government Council's interest and identified concerns with the proposed developments.

STAFF DISCLOSURE

All officers involved in the preparation of this report have considered and determined that they do not have a conflict of interest in the matter.

8.2. COUNCILLOR UPDATES

Councillor Sarah Gilligan, addressed Council by reporting on attendance at or made comments on:

- **Recent flooding in the Coastal Prom Ward area and commented on the resilience of her community and how they come together to overcome a crisis, it is to be applauded.**
- **Australian Institute of Company Directors, undertaking Board training.**
- **Victorian Local Governance Association (VLGA) Forum attended by the new Local Government Minister Horn, commenting that there is a new energy towards the three spiers of Government working together collaboratively.**
- **Annual General Meeting (AGM) Tarwin Health Centre.**
- **Tarwin Footy Club Training Night Dinner.**

Councillor Clare Williams, addressed Council by reporting on attendance at or made comments on:

- **Leongatha Daffodil Show and Street Festival and thanked the volunteers for a great three days.**
- **Site visits throughout Shire and commented on the number of infrastructure projects that are underway.**
- **Wildflower Café at TAFE Gippsland in Leongatha and appreciated the food as well as a tour of the facilities.**
- **Advancing Women in Leadership Summit and commented on her admiration of key note speaker, Julia Gillard.**

- **'Chatty Café' takes place at 10am each Monday at the Sweet Life Café in Leongatha and encouraged community members that need a chat to come along.**

Councillor Scott Rae, addressed Council by reporting on attendance at or made comments on:

- **Welcoming invitations from sporting groups to attend any event, training night to come and meet your group, listen to any stories and grievances that may wish to be shared.**

Councillor Michael Felton, addressed Council by reporting on attendance at or made comments on:

- **Thanking Michaels IGA for the support provided to the community through their community grants program, a recent Presentation event took place at Leongatha RSL.**
- **25th Anniversary Dinner for Poowong Lions Club.**
- **Conversations with a community member.**
- **Promoted his regular Councillor coffee catch up at the Nyora Hall and encouraged the community to come along – 2nd and 4th Thursday of month between 7-8.30pm, please reach out by email or phone.**
- **AGM Loch Hall.**

Councillor John Schelling, addressed Council by reporting on attendance at or made comments on:

- **AGM for Mardan Hall and Leongatha Recreation Reserve.**
- **Wildflower Café at TAFE Gippsland in Leongatha and appreciated how they were looked after.**
- **Art Connect about Karmai in Korumburra.**
- **Dairy Expo at Korumburra.**
- **Wooreen, reestablishment of signage.**
- **Leongatha Football and Netball wins and congratulated the Committee and players.**
- **Congratulated the Toora Football and Netball Club on their recent historic wins.**

Councillor Adrian Darakai, addressed Council by reporting on attendance at or made comments on:

- **Mt Eccles Family Barn Dance at the Hall, he commented that it was thoroughly enjoyable and brought back many fond memories. He noted that fundraising for the Hall upkeep, to bring it back to its former glory continues and urged everyone to show support for this great Hall.**

The Mayor, Councillor Mohya Davies addressed Council by reporting on attendance at or made comments on:

- **Wonderful to see the community opening up after a difficult couple of years.**
- **Music night at the Sandy Point Hall.**
- **Fishy Tails at Fish Creek, this event celebrated literature and storytelling. There was a writing competition that attracted over 300 entries and some of the winning stories were read out by actors, this was a highlight.**
- **Advancing Women in Leadership Summit, this was a great opportunity to meet with other Councillors throughout the State.**
- **Community Day that involved a bus tour of Korumburra Hub, Leongatha Early Years Centre and Koonwarra Transfer Station.**
- **Wildflower Café at TAFE Gippsland in Leongatha.**
- **Domestic Animal Management Plan community consultation event.**
- **One Gippsland meeting.**
- **Municipal Association Victoria (MAV) State Council meeting and noted that the meeting considered a rule change to the voting rights of rural versus metropolitan councils.**
- **Rural Councils Victoria meeting.**

8.3. COMMITTEE UPDATES

Nil

9. URGENT OR OTHER BUSINESS

There are two basic parts to this section of the Agenda:

1. Urgent Business

Normally no motion should be debated by Councillors unless the matter is already included as an item on the Agenda. However, in some circumstances it is possible to raise urgent motions.

Council's Governance Rules 2020 (clause 22 - Urgent Business) adopted on 26 August 2020, allows for where a situation has not been provided for under the Governance Rules, the Council may determine the matter by resolution.

Established practice has provided for urgent motions to be raised at Council provided the matter cannot be dealt with at the next Council Meeting or by Officers under delegation.

It is necessary for the Councillor wishing to raise a matter of urgent business to raise a motion similar to the following:

'That consideration of (the issue) be dealt with as a matter of urgent business and Councillor....be allowed a 'short period' to indicate the reason(s) why the matter should be considered as a matter of urgent business.' If the Chairperson accepts the motion as meeting the urgent business criteria, normal meeting procedures in Council's Governance Rules 2020 (clause 22) will apply.

If the motion to accept the item as a matter of urgent business is passed by Council, the motion relating to the specific issue can then be put and debated in the normal way.

2. Other Business

This provides an opportunity for Councillors to raise items of general interest to the Council and the community. It may relate to an up and coming event or the outcomes of a recent meeting with a Minister etc.

Nil

10. PUBLIC QUESTIONS

10.1. PETITIONS AND JOINT LETTERS

Petitions and Joint Letters are written requests that have been signed by a number of community members. According to the *Governance Rules (C82)*, *clause 57*, members of the community may submit a valid petition or joint letter to a Councillor or to Council addressed to the Chief Executive Officer.

At the Meeting a petition or joint letter is presented, Council will consider a motion to receive it, the matter itself will not be considered unless determined as urgent business.

The Councillor presenting the petition or joint letter is responsible for ensuring that they are familiar with the contents and purpose of the petition or joint letter and that it does not contain language disrespectful to Council.

The requirements of the lead petitioner are detailed in the *Governance Rules (C82)*, *clause 57*.

Source: [Governance Rules \(C82\)](#) – adopted August 2020.

Nil

10.2. ANSWERS TO PREVIOUS QUESTIONS ON NOTICE

Answers to previous questions taken on notice at a former Council Meeting, are included in the Minutes of this Meeting.

Background material submitted with a question will not be recorded in the Council Meeting Minutes.

A submitter will receive a letter outlining the response to a question after the Minutes have been produced.

Source: [Governance Rules \(C82\)](#) – adopted August 2020.

Nil

10.3. SUBMITTED PUBLIC QUESTIONS

All community member questions for Council Meetings are to be written and submitted to the Governance Team by 9.00am on the Monday morning preceding the Council Meeting to allow time for a response to be prepared, where possible, for the Council Meeting. All reasonable attempts will be made to answer pre-submitted questions at the Meeting. When further time is required to prepare an answer, questions may be taken on notice and responses will be provided at the next Council Meeting.

On the day of the Meeting, questions on the prescribed form must be received prior to the commencement of the Council Meeting by 2.00pm and placed in the receptacle at the Governance Officers table. These questions will be taken on notice, included in the Minutes and responses provided at the next Council Meeting.

Public Question Time in Council Meetings is to be used for matters that are relevant to the business or functions of Council and are clear and legible.

Questions may not be allowed where the question(s) is deemed to be:

- Related to a matter beyond or outside the powers of Council;
- Trivial or frivolous;
- Defamatory, indecent, abusive or objectionable;
- Derogatory or designed to embarrass a Councillor, a member of Council staff or a member of the community;
- Related to subject matter previously received and responded to;
- Related to a matter already considered and resolved upon by Council;
- Breach Council's confidentiality obligations; and/or
- Illegible, vague or not make sense.

A person may submit a maximum of three (3) questions for any one Council Meeting, this includes a combined total of three (3) questions for related parties or groups. The total word count of all questions submitted is to be 100 words or fewer.

Background material submitted with a question will not be read out or recorded in the Council Meeting Minutes.

The CEO retains the discretion, in consultation with the Mayor, to not refer questions to Council meetings if there is a more effective or appropriate way to respond to the matters raised. Answers to questions from a member of the community who is present in the gallery will be read out at the Council Meeting by the CEO or Mayor.

Source: [Governance Rules \(C82\)](#) – adopted August 2020.

Mr Drew Tovey submitted written questions and responses are provided in these Minutes.

Question 1

Would the Council convene a working party to devise a more equitable [rating] method, the limits, the large variations between individual properties?

Response

The authority to levy rates and charges is provided to Councils under the *Local Government Act 1989*. The Act prescribes that in calculating the rates payable for each property, the value is to be established as at 1 January each year in line with the *Valuation of Land Act 1960* by a valuation authority. As this process is governed by State legislation, Council is bound to comply. The following link to Council's Rates webpage provides a helpful summary of how rates fund services within the Shire – [Link](#).

In 2019 a panel was appointed by the State government to review all aspects of the Victorian local government rating system. To date, the only changes that are set to be implemented are in the *Local Government Legislative Amendment (Rating and Other Matters) Act 2022* which received Royal Assent on 9 August 2022. The recommendations in this Amendment however are limited to prescription of payment plans, interest rates and financial hardship – not the valuation process.

Whilst South Gippsland Shire Council does not have the power to directly make change to the rating process, Council is committed to partnering with other councils and organisations such as the MAV (Municipal Association of Victoria) and FinPro (Finance Professionals for Local Government) in order to advocate for changes that lead to the best outcomes for our community.

Mr Don Hill submitted written questions and responses are provided in these Minutes.

Question 1

Does Council consider it appropriate for Councillors to warn businesses and ratepayers from “dealing with” South Gippsland Voices newspaper?

Response

Such matters are not considered in the Councillor Code of Conduct. Therefore, Council has no established position on the matter.

Question 2

Is it Council policy that Councillors and staff advise members of the public to have no dealings with SGV or Don Hill its editor?

Response

There is no such policy.

Question 3

Is it a breach of either Council policies, or the common law for Councillors and or staff to discriminate against the business of SGV by using such tactics designed to harm the business of SGV?

Response

Council is not discriminating against South Gippsland Voices. Council took the decision some months ago to no longer respond to media enquiries from South Gippsland Voices. The decision was based on:

- The disrespectful and belligerent way the publication has addressed staff and Councillors on a number of occasions. Council has a duty of care under the *Occupational Health & Safety Act* to provide a secure working environment that fosters respectful and professional communication.
- The publication of articles that – in our opinion – deliberately seek to inflame issues rather than report facts.
- The editorialising of content provided by Council.

It should be noted that correspondence from the editor continues to be responded to in accordance with Council’s Customer Service Charter.

Mr John McCombe submitted written questions and responses are provided in these Minutes.

Question 1

Is Council aware of the speech by OVIC Commissioner Bluemmel 'Without access to government information, we are in the dark on corruption' - Ref. IBAC website?

Response

Officers are aware of the article which Mr McCombe refers to and it can be found to be published on the Independent Broad-based Anti-corruption Commission (IBAC) website in "Publications and Resources". Refer – [Link](#).

Question 2

If Council and the administration personnel paid more heed to the words and directives of Commissioner Bluemmel is it likely the public perception of council's performance might improve?

Response

Assuming that this question relates to the comments made by the Commissioner in the aforementioned article, Council is not in the position to make comment on the information provided by the Commissioner.

South Gippsland Shire Council complies with the requirements of the *Freedom of Information Act 1982* when requests are made to Council. Applicants for information under the Act who wish to have Council's decisions reviewed or make a complaint, they may do so with the Office of the Victorian Information Commissioner (OVIC).

Mr David Amor submitted written questions via the question box at the commencement of this Council Meeting. The questions were taken on notice and will be answered at the next Council Meeting.

11. CLOSED SESSION

The *Local Government Act 2020* (the Act), section 66 provides that if a council or delegated committee determines that a meeting is to be closed to the public to consider confidential information, the Council or delegated committee must record in the minutes of the meeting that are available for public inspection –

- a) the ground or grounds for determining to close the meeting to the public by reference to the grounds specified in the definition of **confidential information** in section 3(1); and
- b) an explanation of why the specified ground or grounds applied.

The Act defines **confidential information** in s.3(1)(a)-(l), and includes information that may prejudice or impact; commercial negotiations, the security of Council, land use planning, law enforcement, legal privilege, personal information, private commercial information, confidential meeting information, internal arbitration, Councillor conduct panel information and information specified under s.77 of the previous *Local Government Act 1989*.

Once confidential information has been considered and decided in a closed session of a Council Meeting, a further resolution to resume open Council is required.

RECOMMENDATION

That Council pursuant to section 66(5)(a) and (b) of the *Local Government Act 2020* close the Council Meeting to the public to consider the following confidential information:

1. Per s.3(1)(g) Agenda items 13.1 – Plant Purchase - 26 Tonne GVM Heavy Vehicle Rigid Sealed Roads Maintenance Truck (MAV Contract NPN04-13) - Plant No. 657, designated as private commercial information,
 - a. being information provided by a business, commercial or financial undertaking that –
 - i. Relates to trade secrets; or
 - ii. If released, would unreasonably expose the business, commercial or financial undertaking to disadvantage; and
