## 6. URGENT BUSINESS

This section of the Agenda is for urgent business items:

### 1. Urgent Business

Normally no motion should be debated by Councillors unless the matter is already included as an item on the Agenda. However, in some circumstances it is possible to raise urgent motions.

Council's *Governance Rules 2020* (clause 22 - Urgent Business) adopted on 19 October 2022, allows for where a situation has not been provided for under the Governance Rules, the Council may determine the matter by resolution. Established practice has provided for urgent motions to be raised at Council provided the matter cannot be dealt with at the next Council Meeting or by Officers under delegation.

It is necessary for the Councillor wishing to raise a matter of urgent business to raise a motion similar to the following:

'That consideration of (the issue) be dealt with as a matter of urgent business and Councillor....be allowed a 'short period' to indicate the reason(s) why the matter should be considered as a matter of urgent business.' If the Chairperson accepts the motion as meeting the urgent business criteria, normal meeting procedures in Council's *Governance Rules 2020* (clause 22) will apply.

If the motion to accept the item as a matter of urgent business is passed by Council, the motion relating to the specific issue can then be put and debated in the normal way.

## 7. PUBLIC QUESTIONS

### 7.1. PETITIONS AND JOINT LETTERS

Petitions and Joint Letters are written requests that have been signed by a number of community members. According to the *Governance Rules (C82)*, *clause 57*, members of the community may submit a valid petition or joint letter to a Councillor or to Council addressed to the Chief Executive Officer.

At the Meeting a petition or joint letter is presented, Council will consider a motion to receive it, the matter itself will not be considered unless determined as urgent business.

The Councillor presenting the petition or joint letter is responsible for ensuring that they are familiar with the contents and purpose of the petition or joint letter and that it does not contain language disrespectful to Council.

The requirements of the lead petitioner are detailed in the *Governance Rules (C82)*, *clause 57*.

### 7.3. SUBMITTED PUBLIC QUESTIONS

All community member questions for Council Meetings are to be written and submitted to the Governance Team by 9.00am on the Monday morning preceding the Council Meeting to allow time for a response to be prepared, where possible, for the Council Meeting. All reasonable attempts will be made to answer pre-submitted questions at the Meeting. When further time is required to prepare an answer, questions may be taken on notice and responses will be provided at the next Council Meeting.

On the day of the Meeting, questions on the prescribed form must be received prior to the commencement of the Council Meeting by 2.00pm and placed in the receptacle at the Governance Officers table. These questions will be taken on notice, included in the Minutes and responses provided at the next Council Meeting.

Public Question Time in Council Meetings is to be used for matters that are relevant to the business or functions of Council and are clear and legible. Questions may not be allowed where the question(s) is deemed to be:

- Related to a matter beyond or outside the powers of Council;
- Trivial or frivolous;
- Defamatory, indecent, abusive or objectionable;
- Derogatory or designed to embarrass a Councillor, a member of Council staff or a member of the community;
- Related to subject matter previously received and responded to;
- Related to a matter already considered and resolved upon by Council;
- Breach Council's confidentiality obligations; and/or
- Illegible, vague or not make sense.

A person may submit a maximum of three (3) questions for any one Council Meeting, this includes a combined total of three (3) questions for related parties or groups. The total word count of all questions submitted is to be 100 words or fewer.

Background material submitted with a question will not be read out or recorded in the Council Meeting Minutes.

The CEO retains the discretion, in consultation with the Mayor, to not refer questions to Council meetings if there is a more effective or appropriate way to respond to the matters raised. Answers to questions from a member of the community who is present in the gallery will be read out at the Council Meeting by the CEO or Mayor.

**Don Hill has submitted 2 questions for consideration at Council Meeting 26 June 2024. Responses have been provided in these Minutes.**

**Question 1 and 2**

**Why is the already awarded contract CON/378 for \$1,993,903.31 included in the draft budget for 24/25 when it has already been awarded?**

**Why is CON/378 included in the draft budget for \$3.1 Million when it should only cost ratepayers the awarded amount of \$1.99 Million plus variations if applied?**

**Response**

Works on the Korumburra Streetscape Project are currently underway and will continue into the 2024/25 financial year, as planned. Therefore, a portion of the project budget has been allowed for in the 2024/25 Annual Budget under the capital works item 82270 - Civil - Korumburra Commercial Streetscape. An awarded contract amount is not the same as a project budget. A budget typically considers all costs for the delivery of a project, which is not a single contract amount, as is the case for the Korumburra Streetscape project.

---

**Gus Blaauw has submitted 3 questions for consideration at Council Meeting 26 June 2024. Responses have been provided in these Minutes.**

**Question 1**

**Is Council planning to build a new office building at an approximate cost of \$35 Million in Smith Street Leongatha?**

**Response**

Council is not planning to build a new office building in Smith Street Leongatha.

**Question 2 and 3**

**Why is Hugh Patrick P/L trading as BJ Excavations awarded the vast majority of Contracts in a Specific Category?**

**What is the Percentage of contracts awarded to Hugh Patrick P/L trading as BJ Excavations [contracts from 1 July 2020] in the specific category?**

**Response**

Council does not categorise public tender contracts. However, public tenders are made publicly available and can be found here [Awarded Contracts | Contracts | South Gippsland Shire Council](#).

Since 1 July 2020 Council has awarded 126 contracts following a public tender process. Hugh Patrick Pty Ltd – trading as BJ's Earthmoving has been awarded 12 of these contracts, representing approximately 9.5% of awarded contracts.

## 8. CLOSED SESSION

The *Local Government Act 2020* (the Act), section 66 provides that if a council or delegated committee determines that a meeting is to be closed to the public to consider confidential information, the Council or delegated committee must record in the minutes of the meeting that are available for public inspection –
