Dear Mr Moylan,

**Re: Ansevata Nominees Pty Ltd v South Gippsland Shire Council**

**Proposed Walks on Walkerville Retarding Basin**

We refer to our letter to you of 13 April 2018.

In the paragraph numbered 1, there was a typographical error and the word "conducted" should read "constructed".

Could you please let us have a response to our letter as a matter of urgency.

Yours faithfully,

**WISEWOULD MAHONY**
